Can you believe it is already 2010? I guess we have made it through the first decade of the new century. We hope this letter finds you all prosperous for a new year. After a very uplifting meeting recently with cattle fax we are looking forward to raising cattle in the coming years! They reported that cattle numbers are down and demand is up! A quote from Pat Goggins, as he sees it: "...get ready for a good bounce in this cattle business. Numbers are in order and indicate that it could happen. Cow numbers are down, demand is improving, more money is showing up...all of this points to a real bounce in the cow business in the foreseeable future." These reports look good for the future of cattlemen!

At our March sale last year it didn't even feel like we were at our own sale. The people at the Buffalo sales barn were so wonderful that we are back. We are once again offering up an elite set of calving ease black bulls. These bulls went to a different summer range with the heifer calves as they were some of our younger bulls. They were selected just for this spring sale. We will be offering an additional bull wintering program for these bulls upon completion of a breeding season. This program will start in the winter of 2010-2011. If you are interested or want more details please contact us or talk to us on sale day.

This year we will be retaining 1/3 semen interest in ALL the bulls in the sale. This means that you get full possession of the bull and at your convenience we collect the bull for in herd use only. This will help the secretary with her book keeping.

We are also offering thirty fancy commercial heifers.

We hope to see you Friday March 5, 2010 in Buffalo! Please feel free to call anytime.

Sincerely,

Paint Rock Angus Ranch

Tom & Mary Mercer, Martin & Kelli Mercer and Brian & Audrey Pryor
