WELCOME

Welcome to the Paint Rock Angus Spring Bull Sale!

It's always a pleasure to work with the Mercer family in the production of their Annual sales. Special thanks to Brian and Audrey Pryor for their dedication to the PRA operation and sale preparation.

At Paint Rock Angus every facet of the cow herd is considered just as important as any other. It matters that a female raise's a big calf at weaning, and if she doesn't breed back that's a problem that will be addressed. Many hours are devoted to structure, feet and temperament, the fundamentals of a cowherd so when sale day arrives they have produced the best possible product for their customers. The deliberation on which bulls should be purchased, and A.I. sires used are details that determine the direction of the PRA cowherd and are not taken lightly. They know that it not only affects their genetic future but the customer base of PRA as well.

Fundamentals at PRA are a top priority! That's where your investment in PRA bulls pays off. It's fun to talk about the newest sire in the industry and how great he might be, but the reality is what will the progeny of the sires used accomplish? Will they hold up over time, breed your cows in a timely fashion, calve easy and will you have pounds to wean each fall? Will the fundamentals of your seed stock producer fulfill your basic needs? I think the basic fundamentals of PRA are solid and have your best interest at the forefront of their operation.

I've always appreciated the Mercer families concern for the commercial cattlemen that have purchased bulls here for so long. They understand the commitment it takes financially, the hard work a ranch demands, and the family dynamic that is crucial to this way of life.

In light of all that is going on around our world if you need a little extra help in purchasing a bull(s) @ the PRA sale please let us know, we will be through the bulls prior to the sale, and help you formulate a plan come sale day.

If you have any questions about the offering in the upcoming sale, please don't hesitate to contact me.

Welcome to our Annual Spring Bull Sale!

Dear fellow "essential" workers,

It has come to our attention that even during this crazy uncertain COVID 19 disaster one thing is for certain: AG and the families that keep it together for generation after generation are RESILIENT! Now we have even been labeled Essential!!

With our new essential label we would like to thank the people who helped make this title and thank all of you for your continued support of our program and friendship over the years!

As we write this we are uncertain if the quarantine will lift May first or not but we are going to be prepared and ready to sell you the second half of our 2019 bull crop.

With that said, this set of bulls were hand selected to sell in May (not left over from fall!) We are super excited to share this set of athletic bulls that are powerful, deep, wide, good footed and ready to go to work!

No matter the outcome of the quarantine status May first, we look forward to selling you a bull May 7th either online or at the ranch. Don't forget you are welcome to come view the bulls anytime at the ranch. There are also videos online if you can't come for a visit.

Thank you,
The Paint Rock Angus crew
